◇ Dear guests

Welcome to our beautiful Zeis at Nadine and Julian's with their team. Treat yourself to a truly wonderful meal in our young restaurant. Our service team is there for you with heart and soul; we want you to feel completely at home – like you're in your own "living room."

If you have any intolerances or allergies, please contact our team; you will receive information and/or our allergen and additive list. Since our dishes are freshly prepared, it may take a little longer during peak times. Please also understand that we cannot always accept all changes to orders and may charge a surcharge for certain changes.

**All dishes marked with * are also available as senior citizen portions – less €3.00.
All prices in € include VAT.**

◇ Franconian for beginners

A Seidla, a U, a Schnidd

Seidla = half a litre of beer

a U = the „U“ stands for „ungespundet“ and means an unfiltered beer. „a U“ is the most short beer order in the world

a Schnidd = the last beer of the day, the „nightcap“ - not a full beer but a little bit more than a half. The nicer you are the more you get ;-)

Schäuferla

„Schäuferla“ is a traditional franconian meal prepared in the oven. It is pork shoulder and comes on the bone with a crispy crust.

Franconian greetings and sayings

Grüß Godd = hello, good day

Ade = bye

bassd scho = very good
